

2010 Quilter's Guild of Brooklyn Show "Around the Block Again" Demonstrations

Saturday

11:30-11:45 *Pushing the Envelope* with *Robin Engelman*

These fabric envelopes are easy, fun, and festive. They're great for gifts and special occasions, can be made from leftover fabric, and can even be mailed from the post office.

12:00-12:15 *Sewing on a Button* with *Danica Brisco*

Have you ever had a button fall off and didn't want to pay to have it sewed back on? Well, this is your lucky day. Come and learn a simple skill that comes in useful.

We will provide a button and a swatch of fabric, needles and thread. You will walk away with a new talent and a hand-sewn button on fabric.

12:30-12:45 *What Is Old Is New Again* with *Marcie Brenner*

Updated techniques for some old favorites. Come see how to do them a faster, easier way.

2:00-2:15 *Multiple Half-square Triangles in Minutes* with *Margaret Marcy Emerson*

Come learn a quick and easy technique for making multiple half square triangles in minutes.

Why make one, when you can make more in the same time? This fifteen minute demo could save you hours! Learn the magic number for making the half square triangle.

Be there and be "square."

3:30-4:30 *Machine Quilting on a Home Sewing Machine* with *Rosenelle Florencechild*

You don't need a fancy, expensive sewing machine to do beautiful machine quilting. Learn how you can use your regular, every-day sewing machine for a variety of machine-quilting techniques:

1. Straight line quilting with a walking foot.
2. Curves and outline quilting with a quilting/darning foot.
3. Feather quilting.
4. Free motion quilting

Sunday

12:00 – 12:15 *English Paper Piecing* with *Donna Rae*

This time honored technique enables precise piecing of almost any shape in even the most difficult fabrics. You can piece anything from broadcloth to velvet and denim without losing a single point.

12:45-1:00 *Pushing the Envelope* with *Robin Engelman*
